MEMORANDUM FOR: Acting Director of Security

SUBJECT : AEDONOR

1. I am somewhat reluctant to approve your recommendation that miscellaneous small purchases needed in the AEDONOR case be made under authority of [REDACTED]. I am aware, however, that operational conditions and the extreme restrictions on the movement of personnel in this case justify the stocking of miscellaneous personal requirements of AEDONOR and the contract personnel on duty at the site.

2. You are authorized to purchase and stock miscellaneous personal items needed in the AEDONOR case in an amount not to exceed \$35.00 per month. These items will be considered expendable upon purchase and need not be accounted for, but you should see that their use is at all times properly justified. This authorization is effective for six months beginning 13 August 1965. If needed after that date, renewal will be considered.
